被耶穌尋見～迷失的羊

「你們中間誰有一百隻羊失去一隻，不把這九十九隻撇在曠野、去找那失去的羊，直到找著呢？找著了，就歡歡喜喜地扛在肩上，回到家裏，就請朋友鄰舍來，對他們說：『我失去的羊已經找著了，你們和我一同歡喜吧！』」（路加福音十五章4-6節）

蕭錦鋒牧師

重獲豐盛生命的歡喜（路十五4-6）

迷失的羊在曠野，因無人帶領保護，將無法安穩往前行，隨時擔心受怕，現代人面對物慾橫流與叢林法則高度競爭的社會模式，如同羊迷失在曠野，沒有方向不知所措內心惶恐不安，故奮力抓住物質的東西來建構自己的安全感。

事實是豐盛生命的基礎，不是視你擁有多少財富名利、地位而定，這些是浮動的神並不可靠，路加福音9章25節說：人若賺得全世界，卻喪了自己，賠上自己，有甚麼益處呢？

羊在迷失中被主人尋回，保護、供應、安慰，可享有豐富的生命。（詩篇二十三篇1~6節），同樣耶穌也不斷在尋找我們，要賜給我們豐盛的生命。

人的一生都在尋找認同感，需要無條件的被愛、接納與尊重，這個比喻裡耶穌如同牧人主動尋找我們，把我們帶回羊圈（教會）與其他九十九隻羊放在一起，使我們的生命在群體中享有歸屬感而來的平安與喜悅。

約翰福音10章10節耶穌說：我來了，是要叫人得生命，並且得的更豐盛。我們是否願意被祂尋見或是持續躲藏呢？

The 43rd ACMWSEP Asian Christian Medical Workers and Students Exchange Program Invitation for ICMDA East Asia Conference

To Live with Vulnerable People:
The Role of Christian Medical Workers for The Vulnerable
August 8–10, 2014 @ Toyota Nisshin Training Center (Nisshin City, Aichi, Japan)

This exchange program has been providing Christian medical workers in South Korea, Taiwan and Japan with a forum of sharing and mutual learning. Since last year it has become the conference of the East Asia chapter of the International Christian Medical and Dental Association, having participants from China, Hong Kong and Mongolia as well.

It has enabled us to have richer sharing of our experiences and information on health issues and new challenges with a wider range of people across the East Asia, including China, Hong Kong and Mongolia.

We are very glad to inform that the conference 2014 will be held in Japan, being the Nagoya Branch of Japan Christian Medical Association as the organizer. We do hope that we would have a good discussion and learning on the roles as Christian medical workers, responding the people's needs which has been changing very rapidly.

We, from East Asian countries, could share some aspects of people's lifestyle and societal changes, and in result, have some common health issues especially in rapidly aging situation. How we could be with vulnerable groups of people is to our medical mission.

Main Theme : 《To live with vulnerable people》
And he lifted up his eyes on his disciples, and said, Blessed be ye poor:
for yours is the kingdom of God. Blessed are ye that hunger now:
for ye shall be filled. Blessed are ye that weep now: for ye shall laugh.
(Luke Chapter6 Verse20-21)

Despite of development of medical technology, it is not much easy for most people to live their own lives in dignity up to the very last moment. Aichi International Hospital, where I work, has its principals as follows. i) Holistic health, ii) Promoting health with the wider perspective to other Asian countries, and iii) Hospital supported by community people. In this small-scale hospital with the motto "God heals, We serve", the staff try to be community-based facilitator for the wellbeing of people

How we could be aside of those people and assure their dignity is the challenge to us. We would be very glad that many with different experiences will participate the conference, and strengthen one another for larger learning networks.
